

Source List for the First 4,000 Words Project

Seward Inc. developed this word list as part of the First 4,000 Words Project. The project is supported by the Institute of Education Sciences, U.S. Department of Education, through contract #ED-07-CO-0043 to Seward Inc. The opinions expressed do not represent the views of the U.S. Department of Education.

The list is based on the ~4000 word families identified by Hiebert (2005) in her Word Zones™ corpus.
